Value White Wines for Summer

At the recent Food & Wine Classic in Aspen, which I was lucky enough to attend, I spent my time in the Grand Tasting tent hunting up some ideal, affordable, white wine candidates for this category. Here were my top picks.

Broadbent Wines 2013 Broadbent Grüner Veltliner

Niederösterreich, Austria, \$13/1 liter

Made for wine importer Bartholomew Broadbent by noted Austrian winemaker Markus Huber, this green apple- and spice-accented white comes in an affordable one liter bottle.’
