

Thorn Ridge Ranch Pinot Noir 2011

INMAN, RUSSIAN RIVER VALLEY, SONOMA COUNTY, CALIFORNIA, USA

HARVEST & VINTAGE NOTES

The fruit was de-stemmed and cold soaked for 4 days in open-top 5-ton stainless steel tanks. A spontaneous fermentation with natural yeast occurred. The wine was pressed off when dry and aged in a combination of new, one year and two year old French barrels: about 25% was new. A native malolactic fermentation occurred in barrel. The wines were filtered by crossflow and bottled under screwcap.
