# Wines To Try, Elegant To Fun

By DAVE MCINTYRE, OCTOBER 3, 2015

## Inman Family Chardonnay 2013

★★★

Russian River Valley, Sonoma County, Calif., \$33

**I** Kathleen Inman makes some of my favorite wines from the Russian River Valley, consistently producing elegant chardonnay and pinot noir in a region known more for opulence and power. Inman Family wines are not widely available, but they are worth grabbing when you see them. Alcohol by volume: 11.6 percent.
