

INMAN FAMILY WINES

RUSSIAN RIVER VALLEY, CALIFORNIA

Blanc de Noir 2012

Forbes

FAVORITE CELEBRATORY SPARKLERS: Meditate on endless tiny bubbles while enjoying an exceptionally long finish in this single vineyard sparkler made from 100% Pinot Noir from Kathleen Inman's Olivet Grange Estate Vineyard in the Russian River Valley. Disgorged on October 26th, just in time for the holidays, only 266 cases of this elegant tippie were produced. The tart, refreshing palate, with hints of green apple and hibiscus, is delicate, with some minerality and very food friendly. Oh, and it would look lovely with an engagement ring at the bottom of the glass.

IT'S A GREAT TIME TO LOVE WINE: Kathleen Inman makes great California pinot noir from her Olivet Grange Vineyard, so it's not surprising that this wine is a knockout. The vineyard was picked twice: once for blanc de noir and a week later for brut rose. Two presses and three fermentations later, the wine went en tirage. It has three years of bottle aging on yeast, so the result is a pale hay tint with effusive apple notes..
