Olivet Grange Vineyard Pinot Noir 2011

POINTS

OGV is the winery's estate vineyard, planted to several Pinot Noir clones. Made to age, it is light in color and elegant, depths of rhubarb and raspberry playing off each other to offer shades of savory and sweet. Earthy and mildly spicy, the wine's exotic nature and marathon finish should come hither even more forcefully with cellar time; try 2017–2021.

Bright red. Vibrant red berry and floral aromas, along with notes of succulent herbs, minerals and blood orange. Juicy and appealingly sweet, offering intense black raspberry and cherry-cola flavors that pick up spiciness with aeration. Powerful yet lithe and precise, with excellent finishing clarity, lift and slow-building tannins that meld smoothly with the wine's persistent, sappy red fruit.
