Isliedh Sauvignon Blanc 2013

92
POINTS

The 2013 Isliedh Sauvignon Blanc has a typically succinct bouquet with nettle, yellow flowers, fennel and broom aromas that render this one of the most complex set of Sauvignon aromatics you can find in South Africa. The palate is very well balanced with citrus lemon, orange peel and gooseberry on the entry. There is fine weight in the mouth and superb harmony on the finish. Another outstanding Is...Isle...Islih...another outstanding "Savvy."
