### Isliedh Sauvignon Blanc 2013

**92pts:** 18% Semillon, raised in 50% new oak. Touches of wild mint, nettle and Japanese yuzu infusing the very well defined citrus fruit. Palate is very well balanced with crisp acidity, a fine mineralité here with a citric twist of lemon on the finish. The quality of the terroir is locked in here. It is an intriguing, cerebral Sauvignon Blanc from winemaker Duncan Savage.
