ROBERTSON VALLEY, SOUTH AFRICA

Limestone Hill Chardonnay 2015

91
POINTS

The 2015 Limestone Hill Chardonnay comes from seven- to 21-year-old vines cropped between five and eight tons per hectares. This unwooded Chardonnay has a pretty nose with apricot blossom, slate and almond-tinged bouquet that gently opens in the glass. The palate is fresh and poised with a fine bead of acidity, tensile with a focused dried apricot and lemon curd finish. This is an excellent Chardonnay from De Wetshof and at this price, you cannot go wrong.

De Wetshof's wines demonstrate what can be achieved in Robertson Valley. Danie and Peter de Wet crafted some really delicious, complex Chardonnays that are often keenly priced. Now imported by Broadbent Selections in the USA, do check these out.
