Sauvignon Blanc Reserve 2014

92
POINTS

The 2014 Sauvignon Blanc Reserve has a little more Sémillon (around 12%) and was bottled after five months. It has a very composed bouquet with melon, yellow flowers and a touch of mirabelle on the nose.

The palate is well balanced with crisp acidity, a fine line of acidity, melon and yellow plum mixed with fresh green apples on the long finish. This is a masterclass in how to make great Sauvignon Blanc.
