Three Cape Ladies 2012

90
POINTS

The 2012 Three Cape Ladies is a blend of 40% Pinotage, 30% Cabernet Sauvignon and 30% Syrah that spends 18 months in French oak, 15% new. It has a ripe raspberry and mulberry-scented bouquet with touches of allspice and sous bois that unfold with time. The palate is medium-bodied with quite succulent, fleshy tannins that belie the structure underneath. There is a gentle but insistent grip on the finish with good length. This is one of Warwick Estate's more approachable current releases.
