BODEGA Y CAVAS *(w)*

## Malbec 2004

**VARIETIES:** 100% Malbec

**VINEYARDS:** Lujan de Cuyo, Mendoza, Argentina

**FIRST VINTAGE:** 1977

**AGEING:** Ready to drink and can cellar for 5+ years.

**ALCOHOL:** 14.5%

**BRIEF DESCRIPTION:** Made from selected grapes of 70-110 year old vineyards of Maipu' region. This is a true expression of this grape from the Argentine region. The ageing and harmonization in French oak casks guarantees its longevity, backed by Weinert's reputation in classic winemaking.

**TASTING NOTES:** Our Malbec stands out by its bright ruby colour, the complex nose of dry red fruits, hints of leather and a good balance of flavours.

**IDEAL DRINKING TEMPERATURE:** 18°C - 20°C.

**FOOD:** Its structure makes it an ideal match to many meat and lamb dishes. Also works well with spicy and bold dishes.
